Product	Reviewer	
Standard	Date Reviewed	

Thank you for your application. The following is a summary of our evaluation. On the checklist below, please address all items that have been checked "No".

Y / N / NA

1. Documents/Samples

- Have forms 2, 2A, 2B and 2AA been completed and signed as necessary?
- Has a signed Listing Agreement been provided?
- Is there a clear list of models being applied for or clear description of modification desired?
- Have all fees been paid?
- Have samples been received?

2. Test Reports

- Has test report been provided?
- Is the lab used an IAPMO recognized lab?
- Does the lab have recognized capability for the testing shown on the test report?
- Is the test report less than one year old?
- Is it tested to the correct standard revision?
- Is it in R&T format? If not, complete items on TR Discrepancy Form.
- Does it cover all models or modifications being applied for?

3. Drawings

- Have drawings been provided?
- Do drawings have a title block?

**The Product Research Committee makes the final decision on product listing.**

Please also address any items described below:

- |  |                          |                          |                          |
|--|--------------------------|--------------------------|--------------------------|
| Do drawings show sufficient detail (dimensions, exploded view... etc?)   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Are all materials identified?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Do dimensions meet the applicable standard or code?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Are drawings in English language?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <b>4. Markings</b>   |                          |                          |                          |
| Are all markings required by the standard and code clearly shown on drawings or photos, along with a description of method of application? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Is appropriate certification mark shown?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| If trademark is used, verify that it is registered.  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <b>5. Toxicity</b>   |                          |                          |                          |
| Is the product an end point device?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Has it been evaluated to NSF 61?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <b>6. Literature</b>   |                          |                          |                          |
| Is there any misuse of IAPMO certification marks?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <b>7. Installation &amp; Maintenance Instructions</b>  |                          |                          |                          |
| Have installation instructions been provided?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Are they required by the standard?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Have they been provided?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
